Answer

ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI FAGGAN SINGH KULASTE)
(a) & (b): Pursuant to announcement in Union Budget 2016-17 regarding starting of 'National Dialysis Programme' under NHM, the Pradhan Mantri National Dialysis Programme was rolled out in 2016. The State/UT wise approvals accorded under National Health Mission (NHM) based on proposals received from the States/UT in 2016-17 (upto December, 2016) for provision of free dialysis services to the poor is placed at Annexure.

(c): The Guidelines for Pradhan Mantri National Dialysis Programme envisage provision of dialysis services under NHM in PPP (Public Private Partnership) mode.

(d): As per the guidelines, the private partner is to provide medical human resource, dialysis machine along with Reverse Osmosis (RO) water plant infrastructure, dialyzer and consumables, while the space, power, and water supply within District Hospitals is to be provided by the State Government.

(e) & (f): Immediately after announcement in Union Budget 2016-17, based on study of relevant models on dialysis services being operated under PPP mode in States and consultation with experts in this field as well as private service providers, the guidelines including model Request for Proposal (RFP) were developed and released on 7th April 2016 itself. Thereafter all States were requested to incorporate proposal in their NHM Programme Implementation Plans. As on date, approval has been provided to all States.
